

TEACHER OF SCIENCE

Mainscale

- **Required September 2019**
- **Contract: Permanent**
- **A TLR or Recruitment and Retention payment may be available for a suitable candidate**

A fantastic opportunity for a dynamic colleague to take up this position at our vibrant and successful school, where student success is at the heart of all that we do and staff are supported.

We are moving rapidly towards our goal of becoming an outstanding school, with 2017 outcomes placing us in the top 13% of schools in the country. We are now looking for an exceptional teacher to join our Science team. Science GCSE results have been in the top 20% for progress for two years and were top 13% for 2017 (significantly above national average).

Barnhill Community High has an amazing record of staff development leading to rapid career progression at all levels. This school is part of the Middlesex Learning Partnership, which is at an exciting time in its development. The Trust has a strong shared sense of community and a real commitment to making a difference to the lives of young people.

We need you to be:

Experienced in teaching and the Science curriculum

Enthusiastic and optimistic in your approach

Committed to inspiring and motivating our students through the highest expectation

A strong communicator wanting the best for each student

In return, we will offer you:

Motivated hard working students

Dedicated, friendly and experienced colleagues

Specific training to support your development

As a people-centered organisation we offer an outstanding employee support package alongside proven support with professional development.

'Leaders have established a culture shift in the school with greater communication and trust among colleagues'
(Challenge Partners 2016)
