Middlesex Learning Partnership is an exciting, innovative and successful Trust in West London. We have a strong sense of community, great students and staff, and a real commitment to making a difference to the lives of young people. Our 2018 academic outcomes place us well within the top 5% of the country, with a progress 8 score of +0.66.

The Maths Department has been an area of strength for the school and results have been getting stronger every year for the past two years. The Maths department registered a progress 8 score of 0.9 and this puts our department in the top 2.4% in the country. The subject remains a popular choice for many students at A-Level. The Department works as a cohesive team, sharing resources and striving to maximise student potential.

We are moving rapidly towards our goal of becoming an outstanding school and we are looking for an expert mathematician to join our team on this journey.

Barnhill Community High School has an amazing record of staff development leading to rapid career progression at all levels. This school part of the Middlesex Learning Partnership, which is at an exciting time in its development. The Trust has a strong shared sense of community and a real commitment to making a difference to the lives of young people.
