

Guide to contacting the school during partial closure

We understand that this is a challenging time for parents, students and staff so we have put together this contact guide should you need to contact us.

Please email staff based on what year group your child is in. Staff will be available term-time only and should usually reply to a query within 48 hours.

During this time we also have a call back facility so if you email the relevant person, we will aim to call you back on the same day between 8.30am and 3.30pm.

If your query is a technical or requires some ICT support, please email helpline@barnhill.school
