Executive Headteacher: Tracey Hemming
Head of School: Mark Mayne

Dear Parent / carer,

Final exams and study leave

I am writing to share with you the plans regarding study leave for students in Year 11. Any student who has completed all of their examinations will be able to take study leave from the completion of their last exam. For most students, this will be Friday the 15th of June, after their Physics exam.

There are a number of exams that will still take place after this though:

Panjabi, Arabic, Finance, Dance, Polish, CiDA and TLM.

From Wednesday the 13th June, students are permitted to go home during the day if they do not have scheduled lesson. However, they should take note of the revision timetable on the other side of this letter.

Students must go to any lesson for a subject that they have not finished.

TLM – Microsoft computing management course and information technology user skills.

For many students this is a part of their regular curriculum, so they will not have finished their education until the course is completed. The families of such students will be contacted directly.

Any other student is welcome to take the course, which is a high-value GCSE equivalent that is also very useful for employers and further study. Any student wishing to study it should make contact with Miss Monterio or Mr Shepherd, using their email address or by telephoning the school.

Miss Monterio – Raising Standards Leader KS4 – nmonterio@barnhill.school

Mr Shepherd – Key Stage Director Year 11 – pshepherd@barnhill.school

May I take this opportunity to wish you all the very best for a restful summer break. We look forward to a successful results day and continuing to work with you as students of the sixth form.

Yours sincerely

Mr J H Jones

Deputy Headteacher

Additional classes for science. Students should follow their normal timetable, but attend these sessions in place of regular lessons:

Name	
13 Jun WedA:3	A personalised timetable has been created for each student. Please ask your child to contact the Key Stage office or attendance office if they have lost their copy.
13 Jun WedA:5	
14 Jun ThuA:1	
14 Jun ThuA:2	
14 Jun ThuA:3	
14 Jun ThuA:4	
14 Jun ThuA:5	

TLM – Microsoft computing management course and information technology user skills.

The TLM computing course is a very popular and successful course currently being followed by a large number of our students. As with each year, we offer all students the chance to compete this course. It is a high value course that gives students an advantage in the employment market. Further details will follow this letter. 180 of our 240 students completed the course last summer.

Wednesday 27th June – The Year 11 Leavers' Assembly – 10:30

The assembly is the formal ending of year 11. Students should arrive in school at 10:30 to join in the celebration assembly and shirt signing. Students will be dismissed at 12:00 to prepare for the evening's prom.

Wednesday 27th June – The Year 11 Prom – 18:30

This is always a very special occasion that allows students to celebrate the end of their secondary schooling. Mrs Dixon is organising the prom, so please make contact with her if you have any enquiries; LDixon@barnhill.school. Prom tickets will be given out at the leavers' assembly in the morning.
